STUDENT ART WANTED!

**Enter STA's 2nd Annual Art Calendar Contest
Your School Could Appear in our 2011-12 Calendar
Deadline: March 31, 2011**

STA's 2011-12 academic year calendar will feature students' artwork depicting the schools they attend. The artwork should focus on a distinctive, recognizable architectural feature of a campus structure, building, or buildings.

We are looking for original two-dimensional artwork in any media from your students in Grades 8-12. STA will select twelve pictures for publication in the art calendar and on our web site. The calendar will be sent to hundreds of private/independent schools around the south, making this a wonderful opportunity to showcase your students' artistic talents.

Twelve pieces will be selected for inclusion in the calendar, and the winning artists will receive five copies of the calendar and \$50 in gift certificates for art supplies, generously provided by Blick Art Materials.

Contest Rules:

- The artwork should focus on a distinctive, recognizable architectural feature of a campus building or structure of the school attended by the artist.
- Only students in Grades 8-12 attending STA schools are eligible to compete. See our website for a list of STA schools.
- Entries can be created using any natural media. Sorry, no photography or digital paintings are allowed.
- The original art can be any size, but the ratio should be 3 x 4 landscape to best fit our calendar.
- No more than 10 entries per school.
- Submit your art as jpeg files at a minimum resolution of 1280 x 960 pixels. Winners must provide originals to Southern Teachers for calendar production, but all art will be carefully handled and returned.
- Selected finalists will be required to mail original artwork to our designer for professional reproduction. Original art pieces will be returned to the school.

Entries must be received by March 31, 2011. The names of the twelve winning artists will be announced in May 2011. Calendars will be mailed to the winners and to schools in July 2011.

In submitting art for the contest, both the artist and the supervising teacher grant Southern Teachers Agency permission to republish it in print and web formats. Each artist assumes responsibility for proper permissions and releases from all subjects

STA assumes no liability for unauthorized work or responsibility for original artwork lost or damaged in the mail. Original art pieces will be returned to the school.

**This calendar celebrates southern independent schools and their talented students.
Please encourage your aspiring artists to submit their creation!**
